

REACH STATEMENT

Mimaki Europe hereby confirms, to continuously improve health & environmental performance of their products. We comply with the restriction of SVHC (substances of very high concern) in EC 1907/2006 (REACH-Registration, Evaluation, Authorization and Restriction of Chemicals) regulated by the European Union.

Mimaki prefer to use inks without substances of very high concern and continuously evaluates, based on the supplier information, for all our products which could contain the SVHC substances, REACH Annex XIV(authorisation list) and REACH and Annex XVII (Restricted Substance list).

Please see the annex for further detailed information on product level.

With kind regards,

A handwritten signature in blue ink, reading "池田 裕司" (Ikeda Yuji).

Yuji Ikeda
Managing Director

1. Substances candidate list in Mimaki products

Mimaki will evaluate on regular basis if one of the substances in de products is listed on the candidate list, REACH Annex XIV and REACH Annex XVII (regular updated by ECHA; European Chemical Agent: <https://echa.europa.eu/candidate-list-table>).

Not any product contains REACH Annex XIV or REACH Annex XVII listed substances.

The next products may contain a SVHC listed substance above the threshold limit of 0,1%:
