

## ROHS and WEEE COMPLIANCE STATEMENT

As part of Epson's commitment to the environment we continuously work on improving the environmental performance of our products. In recent years the focus of our environmental programme has, amongst others, been focused on chemicals management and the recyclability of our products. Epson ensures that all our products meet the requirements of the European RoHS (2011/65/EU) and WEEE (2012/19/EU) Directives.

By this statement Epson declares that all products put on the market after 1<sup>st</sup> July 2006 are compliant with 2011/65/EU and COMMISSION DELEGATED DIRECTIVE (EU) 2015/863 that took effect on July 22, 2019 amending Annex II to Directive 2011/65/EU of the European Parliament and of the Council as regards the list of restricted substances in electrical and electronic equipment.

Relating to DIRECTIVE 2012/19/EU OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 4<sup>th</sup> July 2012 on waste electrical and electronic equipment (WEEE), Epson Europe B.V. declares that its products put on the market after 13th August 2005 comply with the requirements of article 14 and 15 of the Directive relating to information for users and treatment facilities.
